ITINERARY

Day 1: Arrival to Navafria.

Arrival at the quaint mountain village of Navafria on the foothills of the Guadarrama Mountains. This being Spain, you will have time for a swim in the local natural pool and a walk before dinner.

Day 2: Matabuena - Navafria. 10km.

After a short transfer you'll meet your friendly donkey and will be shown how to handle and look after him! You then set off on your family adventure! The walk takes you along the foot of the mountains following an ancient drover's track through sweet-scented juniper and oak forests.

Day 3: Navafria - Requijada. 15km.

A lovely walk along the "Cañada Real Segoviana", an ancient drove road taking you to the small village of Requijada. Today's walk takes you along the River Cega. You will pass through the village of Valle de San Pedro. Visit the ruined church of San Justo y Pastor, standing alone on a hill before descending to the tiny hamlet of La Mata. From here an old drovers' trail will lead you along a very picturesque route into Requijada.

Day 4: Requijada - Pedraza. 14km.

A tiny country road takes you to the river valley you crossed yesterday. From here you wind along a flat shelf of land to regain yesterday's pretty bridge. A second bridge over a tributary leads you winding up into the hills, where you pick up a drovers' trail to reach a large cattle ranch. Following agricultural tracks you are greeted with outstanding views of the honey coloured hill village of Pedraza, before descending to cross the River Vadillo beneath the limestone cliffs. A short ascent brings you to this perfectly preserved medieval village.

Day 5: Departure or extra nights.

Return or extra nights in Segovia or Madrid.
